

## **PAID INTERNSHIP - 2024 – HOFFMAN FARMS**

Hoffman farms is looking to hire a paid intern for the 2024 season. We are a farming operation located on the north side of Greeley, CO. We farm approximately 100 acres, with 50+/- acres in mixed vegetable production, the remaining in commodity row crops. Additionally we operate a 5800 sq ft commercial greenhouse for propagation and hydroponics, as well as 4 high tunnels for season extension.

If you are someone who is interested in farming, food systems, sustainability, agriculture, or needs an internship to meet graduation requirements, then this is the job for you! You will learn while working to help us have a successful 2024 season!

No previous experience required, but some experience or education in farming, food systems, sustainability, or agriculture is preferred. Bi-lingual is a bonus.

But most importantly, this is an opportunity to LEARN!

### **Learn:**

- Colorado Agricultural History
- Colorado Food Systems
- Colorado Farming Practices - Organic and Conventional
- Tractor Operation and Repair
- Harvesting and Post Harvest Skills
- Food Safety Rules and Inspections
- Greenhouse Operation
- Seeding and Planting
- Irrigation
- Weed and Pest Control

### **Responsibilities and Requirements:**

- Able to lift 50 lbs on a regular basis
- Able to work in extreme weather conditions
- Able to meet the physical demands of the job
- Valid Driver's License
- Able to handle repetitive tasks

### **Pay and Schedule:**

\$16 / hour starting. Flexible hours, a minimum of 20 per week is preferred. 40 hours per week is available, as well as overtime during the peak harvest of the season, but not required. We operate 7 days a week, 8 am to 6 pm.

START DATE: ASAP
